1. Completely read *The Authority of the Believer* by Gill. Answer the questions found at the end of each lesson. These answers will be submitted to your instructor at the end of the course for evaluation on completeness and thoughtful insight, so record your answers in a way which will facilitate this. You may write your answers in your course notebook in the section provided. Or, especially if you live in a different country than your instructor, you may answer your questions on computer, then attach that file to an e-mail which is sent directly to your instructor.

### Standards for Grading Assignments

As indicated below, “C” or 2.0 level work is considered average. **Leaders are not average people.** You are therefore expected (required) to put forth the effort necessary to demonstrate at least “B” (3.0) level work or higher on all assignments which you submit. Any which do not will be returned to you with input from your instructor on how you can raise your grade to the expected level. **A course grade will not be given until your assignments demonstrate that you have understood the material presented in the course and allowed your life to be transformed by the Spirit and the Word studied** — the requirements for attaining a “B”.

Your individual assignments (notebooks, tests, reports) will be graded according to the following standards. These grades will be averaged together to determine your course grade. Remember, CLU is training leaders and leaders are above-average people. Your work will reflect that.

- “D”
  - Indicates barely passing work that is inferior to the average both in quantity and in quality.
  - Manifests a lack of initiative or sense of responsibility or both.
- “C”
  - Average work; either steady work of an acceptable quality, or work of a high quality which is uneven, irregular or fragmentary.
  - May be mechanically or outwardly correct but shows little reflection upon or personal assimilation of the material.
- “B”
  - Intelligently has fulfilled the requirements of this course.
  - Understands the subject matter presented and has applied it to his life in a limited manner but has not really made the truths his own.
- “A”
  - Grasped the material with thoroughness, industry and correctness of detail.
  - Made the material his own by thinking about it and integrating it, using originality, natural ability, and insight.

2. Listen to the CDs *The Authority of the Believer* by Gill as assigned.
3. Completely read *Destined for Dominion* by Gill as assigned.
4. Completely read *Out! In the Name of Jesus* by Gill, applying it as necessary.
5. Submit a paper to your instructor discussing your understanding of the authority that has been vested

in you as a believer. On what basis do you have this authority? Over what and whom do you have authority? For what purpose do you have authority? What are you to do and not to do with it? How have you used the authority that you have? Use plenty of Scripture and personal illustrations from your own life. This paper is to be at least three pages and is due in the last lesson.

6. Earn at least a “B” on Test One and the Final Exam (not Self-Tests).
