Releasing Spiritual Gifts

Description

We will begin this study with a Biblical introduction to spiritual gifts. We will then study each of the nine gifts of the Spirit in their three naturally-occurring groups: “Revelatory Gifts - The Gifts That Reveal”, which addresses the gifts of discerning of spirits, word of wisdom, and word of knowledge; “Power Gifts - the Gifts That Do”, which includes the gift of faith, the gifts of healings, and the workings of miracles; and finally, “Vocal Gifts - The Gifts That Speak”, which are the gifts of various kinds of tongues, interpretation of tongues, and the gift of prophecy.

Releasing Spiritual Gifts (Workbook) by Jim Goll

Releasing Spiritual Gifts (Tapes) by Jim Goll

The Holy Spirit Today by Dick Iverson

Your Spiritual Gifts by C. Peter Wagner

Course Requirements:

1. Classroom students must attend all classes. Distance students must listen to the audio cassette teaching done by Jim Goll.

2. Thoroughly read the book *The Holy Spirit Today*, by Dick Iverson. Turn in a book report, using the following guidelines:

Book reports are to be at least three (3) pages long and no longer than five (5) pages. Please do not print on the front and back of sheets of paper. Typewritten reports are requested. Please print your name on the outside front cover.

The report is to be divided into three sections as follows:

Section One: A Brief Summary of Each Chapter
Write a two-sentence statement summarizing the content and major theme of each chapter.

Section Two: Strengths and Weaknesses
Answer the following three questions:

1. In your opinion, what are the strengths of this book?
2. In your opinion, what are the weaknesses of this book?
3. In your opinion, what are the unique contributions this book makes to the Body of Christ?

Section Three: What God said to you
Discuss what the Lord said to you through this book. Record any related journaling. What actions have you taken as a result of the Lord's ministry through this book? How has your life changed or will your life be different because of hearing from God through this text?

3. Take notes in the *Releasing Spiritual Gifts* workbook while listening to the cassettes, and complete the Reflective Questions at the end of each lesson. These require Scripture memorization, which will be included on your tests.
4. Prayerfully read *Your Spiritual Gifts* by C. P. Wagner as assigned. Answer the "Reflection Questions" at the end of each chapter.
5. Earn at least a "B" on all tests.
6. Each week take the time to list (first name only) and identify one or more of the gifts that are in operation in different people you know. List the location this person most often uses this gift (church, counseling, prayer times, personal times). You will find a Log for recording this information at the end of the "Test Review Questions" section of this Student Notebook.

Standards for Grading Assignments

As indicated below, "C" or 2.0 level work is considered average. **Leaders are not average people.** You are therefore expected (required) to put forth the effort necessary to demonstrate at least "B" (3.0) level work or higher on all assignments which you submit. Any which do not will be returned to you with input from your instructor on how you can raise your grade to the expected level. **A course grade will not be given until your assignments demonstrate that you have understood the material presented in the course and allowed your life to be transformed by the Spirit and the Word studied** — the requirements for attaining a "B".

Your individual assignments (notebooks, tests, reports) will be graded according to the following standards. These grades will be averaged together to determine your course grade. Remember, CLU is training leaders and leaders are above-average people. Your work will reflect that.

- "D"
- Indicates barely passing work that is inferior to the average both in quantity and in quality.
 - Manifests a lack of initiative or sense of responsibility or both.
- "C"
- Average work; either steady work of an acceptable quality, or work of a high quality which is uneven, irregular or fragmentary.
 - May be mechanically or outwardly correct but shows little reflection upon or personal assimilation of the material.
- "B"
- Intelligently has fulfilled the requirements of this course.
 - Understands the subject matter presented and has applied it to his life in a limited manner but has not really made the truths his own.
- "A"
- Grasped the material with thoroughness, industry and correctness of detail.
 - Made the material his own by thinking about it and integrating it, using originality, natural ability, and insight.
