Attitudinal:

As a result of your application of the truths you learn in this course:

- You will be encouraged by learning of the great revivals of the past, when God worked mightily in and through His people.
- You will have hope for a soon coming, mighty, worldwide, end time outpouring of the Holy Spirit.
- You will be convinced that you need to humble yourself, pray, seek God's face, and turn from your wicked ways.
- You will be saddened by how the Church departed from Its glory of the First Century, but excited by what God has done through the centuries to bring restoration, with faith for a fully restored Church before Jesus Returns.
- You will be thrilled about the great advances the Church has made in Its task of world evangelization, have faith for the completion of the task, and see ways that you could be involved.
- You will become concerned about the possibility of end time persecution and begin thinking about what you might do to become prepared.
- You will think about things that are going on in the Church more in terms of God's overall purpose.
- You will begin to think about life more in terms of "the big picture."

Behavioral:

If you allow the Holy Spirit to apply the teaching of this course to your life, you will be changed. Some of these changes will be as follows:

- You will get involved with others in praying for revival.
- You will get involved with others in praying and working to see the Church restored to Her New Testament simplicity and power.

- You will begin praying and working for "the big picture" with regard to the life of the Church. Your life will take on new meaning as you do this.

Standards for Grading Assignments

As indicated below, "C" or 2.0 level work is considered average. **Leaders are not average people.** You are therefore expected (required) to put forth the effort necessary to demonstrate at least "B" (3.0) level work or higher on all assignments which you submit. Any which do not will be returned to you with input from your instructor on how you can raise your grade to the expected level. **A course grade will not be given until your assignments demonstrate that you have understood the material presented in the course and allowed your life to be transformed by the Spirit and the Word studied** — the requirements for attaining a "B".

Your individual assignments (notebooks, tests, reports) will be graded according to the following standards. These grades will be averaged together to determine your course grade. Remember, CLU is training leaders and leaders are above-average people. Your work will reflect that.

- "D" • Indicates barely passing work that is inferior to the average both in quantity and in quality.
 - Manifests a lack of initiative or sense of responsibility or both.
- "C" • Average work; either steady work of an acceptable quality, or work of a high quality which is uneven, irregular or fragmentary.
 - May be mechanically or outwardly correct but shows little reflection upon or personal assimilation of the material.
- "B" • Intelligently has fulfilled the requirements of this course.
 - Understands the subject matter presented and has applied it to his life in a limited manner but has not really made the truths his own.
- "A" • Grasped the material with thoroughness, industry and correctness of detail.
 - Made the material his own by thinking about it and integrating it, using originality, natural ability, and insight.
