

THE 501

The Names and Attributes of God Graduate

In addition to all of the requirements for THE 301, you shall also complete the following.

- 1) Prayerfully read the book *The God Chasers: My Soul Follows Hard After Thee* by Tommy Tenney, completing the *Interactive Study Guide for God Chasers* as you read. There are ten chapters in the book, and the study guide is designed for one chapter a week. Therefore, you are to read one chapter of the book and complete one chapter of the study guide along with your other assignments for each lesson. This will allow you to internalize the message of the text.

At the end of each study guide chapter there are “Chase Him in Prayer” and “CATCH Phrase” sec-

tions. Use the “Chase Him in Prayer” instructions as a foundation of your personal devotional/quiet time for the entire week. Use the “CATCH Phrase” as a springboard for your journaling at least once during the week.

Your answers to the study guide questions will be submitted to your instructor at the end of the course.

- 2) Write a paper describing how you have come to know God more intimately through your meditations in this course. This paper is to be a minimum of five type-written, double-spaced pages (no larger than 12 point font), and will be submitted to your instructor at the end of the course.
