# A University Without Walls

"I believe that Mark has a prophetic ministry for this generation regarding communing with God. The course Communion With God IS GOING TO CHANGE THE NATION by building a new generation of people that hear God's voice and dream God's dreams."

--- **Rev. Thomas Reid**  
The Tabernacle

"The whole teaching on Communion With God has been a wonderful help as well as the Counseled by God teaching, which has been of great personal benefit both to myself and to my wife, Carol. Our church, our leadership team and our ministry team have greatly benefited from your courses and your ministry.

Dialogue with God is worth a million dollars to any Christian who is serious about the issue of hearing the voice of God. Mark's teaching on this issue profoundly impacted my life."

--- **Rev. John Arnott**  
Toronto Airport Christian Fellowship

"Your manual on Communion With God is very, very rich and wonderful. I praise God for your ministry and wonderful contribution to the body of Christ."

--- **Dr. David (Paul) Yonggi Cho**  
Yoido Full Gospel Church,  
the world's largest church (with 750,000 members)

"I have been an active Baptist pastor for thirty-seven years. As far as I am personally concerned, seminars like 'Counseled by God' and 'Communion With God' and 'Naturally Supernatural' are absolutely fundamental to the building up of the inner life.

I highly recommend him and his ministry to you."  
--- **Rev. Peter Lord**  
Park Avenue Baptist Church

# Learning is a *Lifelong* Journey

## Testimonies Testimonies

“Even the first class changed my life. I felt that not only was my mind being expanded by the truths of God’s Word, but my heart and spirit were also growing. This was a school of the Spirit and was changing me with every class.”

- *Nicholas Kusmich*

“To be honest, when I started the course, I was focused on the excitement of being so close to getting my degrees that I was eager to simply plow into the lessons and just get them done. But God had another plan. The way that the course is written and presented does not allow one to simply study and regurgitate knowledge. From the very outset I found myself forced to focus on the spiritual dynamics of the truths being presented and was immediately confronted by the Holy Spirit telling me, ‘Now I have your attention, you’re not getting away!’ I was going to get what I desired (my degrees), but God was going to get what He wanted first, which was ‘me.’”

- *Rev. Robert Butler*

“In CLU’s courses, you cannot simply read or skim a book. You get touched and God SHOWS UP! My entire life and thinking have changed just from my first course! God has taken me from the western educational approach to an approach that is the exact opposite!”

- *Jennifer Claire*

“I cannot describe in words how much it is empowering us and changing our lives in a new way and different pattern to approach God whom we’ve served for more than 14 years. We simply found ourselves spending even more time than we expected not just for the requirements, but also for the love of the sweet value that is in the materials.”

- *Zinabu Degife and Masresba Wodajo*

# CHRISTIAN LEADERSHIP

U N I V E R S I T Y

Christian Leadership University is accredited by Christian Accreditation International.

Christian Leadership University was also certified by the Apostolic Council for Educational Accountability (ACEA) for the entire 11 years of ACEA's existence (1998–2009). Dr. C. Peter Wagner, head of the Wagner Institute for Practical Ministry, formed this group as an alternative to traditional accreditation for the new apostolic churches that are emerging. They have now changed the acronym ACEA to the name of their new entity, "Association of Christian Educators and Administrators."

Both CAI and ACEA provide evaluation and accountability without distorting the purpose and vision of Christian Leadership University. CAI and ACEA are NOT recognized by the U.S. Department of Education. An extended statement on accreditation may be found at [www.CLUonline.com/accreditation](http://www.CLUonline.com/accreditation).

## Founders of the Message

Mark Virkler grew up conservative Baptist and received a Bachelor's degree from Roberts Wesleyan College in North Chili, N.Y., a Master of Theology from Miami Christian University and a Ph.D. from Carolina Christian University. Dr. Virkler has also been included in Marquis' "Who's Who in Religion," "Who's Who in American Education" and "Who's Who in the World."

Mark and Patti have two children, Charity and Joshua. Patti homeschooled both children from kindergarten to 12th grade, and they continued their home education through Christian Leadership University, of which Mark is the founder and President and Patti is the Academic Dean.

They have been active in ministry together since meeting in 1970. They founded a church, Pioneer Christian Fellowship, and worked on several church staffs over the years. They have helped develop three networks of church-centered Bible schools, and currently head up Communion With God Ministries.

"Becoming a part of CLU has changed my life. Something that is so fascinating to me in studying with the courses of CLU is how each time I study, the presence of the Holy Spirit is right there and is 'sooo strong'. It grows more intense at times. I am amazed at His presence, the wisdom and what He reveals while studying."

- Stacie Horne

"The courses that CLU offers are Spirit-filled, biblical, and very informative. Studying for higher education is most difficult, and since I needed to be a student of distance learning, Dr. Virkler and his staff have gone far and beyond being helpful. Thanks to CLU, I now have accomplished my main goal. I now have my Ph.D. Praise God!"

- Richard Martin II

"I have found this course helping me to know Jesus, rather than just knowing about Jesus. From applying the insights that God has given Mark Virkler there is a sharper sensitivity in my heart to hearing the Lord speak to me."

- Dr. Carter McKeague

"I enrolled in CLU in October. The classes have been beyond anything I had hoped for. This has been more like an adventure than school."

- Vanessa Tinsley-Stone

This course teaches you how to hear God's voice, see divine vision, and journal (which we define as writing down what God is speaking to you). All other courses build upon this basic ability of the student to hear the voice of God, including a final paper requirement discussing what God is saying to you from the course, how He is asking you to change, and how you are changing.

The uniqueness of Christian Leadership University is the Spirit-anointed, *lamad*-fashioned curriculum package that it offers. The *lamad* learning experience begins by encouraging you to take courses that deal with the real-life issues you are facing. It draws you into interaction with the Holy Spirit concerning these issues, and results in your life being transformed by His power.
