

Prophetic Foundations

Course Description:

“Pursue love, and earnestly desire spiritual gifts, especially that you prophesy...for you can all prophesy” (I Cor. 14:1, 31). All believers are given the promise that if they will earnestly desire and seek after the gift of prophecy, that they will receive it. Unfortunately, abuse has often led to disuse of the gift until you are hard-pressed to find a church that embraces this truth and teaches their people how to enter into this incredible gift. We long to help unbelievers encounter the Lord, yet we neglect the tool that Scripture says will cause them to fall on their face and worship God.

God has been at work reestablishing the gift of prophecy among His people, and our Prophetic Concentration is designed to equip the saints for this work of service. The specific goal of this foundational course is to help bring you into a love-based approach to prophetic ministry and revelation pursuit, that you may pursue love and earnestly desire to prophesy. You will complete activation exercises in every lesson so you can practice and grow in your ability to prophesy.

Standards for Grading Assignments

As indicated below, “C” or 2.0 level work is considered average. **Leaders are not average people.** You are therefore expected (required) to put forth the effort necessary to demonstrate at least “B” (3.0) level work or higher on all assignments which you submit. Any which do not will be returned to you with input from your instructor on how you can raise your grade to the expected level. **A course grade will not be given until your assignments demonstrate that you have understood the material presented in the course and allowed your life to be transformed by the Spirit and the Word studied** — the requirements for attaining a “B”.

Your individual assignments (notebooks, tests, reports) will be graded according to the following standards. These grades will be averaged together to determine your course grade. Remember, we are training leaders and leaders are above-average people. Your work will reflect that.

- “D”
 - Indicates barely passing work that is inferior to the average both in quantity and in quality.
 - Manifests a lack of initiative or sense of responsibility or both.
- “C”
 - Average work; either steady work of an acceptable quality, or work of a high quality which is uneven, irregular or fragmentary.
 - May be mechanically or outwardly correct but shows little reflection upon or personal assimilation of the material.
- “B”
 - Intelligently has fulfilled the requirements of this course.
 - Understands the subject matter presented and has applied it to his life in a limited manner but has not really made the truths his own.
- “A”
 - Grasped the material with thoroughness, industry and correctness of detail.
 - Made the material his own by thinking about it and integrating it, using originality, natural ability, and insight.

- a. Part I – Briefly describe your knowledge of and experience with the prophetic and words of knowledge up until this time. Have you been in a church culture where they are accepted and encouraged? Have you been the personal recipient of them? Have you given them? If so, in what setting? Why are you taking this course/concentration? Why do you want to be used in this way?
- b. Part II – What are the most important facts or principles from the course that the Lord especially brought to your attention? Did He say anything special to you about how He wants you to apply them personally?
- c. Part III – How did the application exercises in the *God Secrets Workbook* go? Were there any that were especially meaningful and beneficial to you? Were there any that were especially difficult for you?
- d. Part IV – How have you grown through this course? How has the Lord changed or strengthened or encouraged you through what you have read and done? Refer to your answer in Part I for comparison.

This paper is to be a minimum of eight (8) pages and is due in the final lesson.
